**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Mail Stop Amendment  
Honorable Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Non-Compliant Amendment mailed on May 6, 2009, Applicants respectfully request entry and due consideration of the following corrected section of claim amendments pertinent to the Response to Improper RCE Filing and Notice of Abandonment previously submitted in tandem with a Petition to Revive on November 12, 2008. It is unclear to Applicant how the labels associated with the previous claim amendments were deemed improper. However, Applicant has now listed every claim that was canceled by such an amendment as a means to reflect such a change. Furthermore, Applicant has struck through, rather than bracketed, the deleted language in amended Claim 1. Such changes thus comply with the new rules set forth by the Office in terms of revising and notating amended claims.

As this response is being mailed within one month of the mailing date of the aforementioned Notice of Non-Compliant Amendment, it is respectfully submitted that no fees

or extensions of time are necessary and that such a submission is thus timely. Entry and due consideration of such amendments are therefore respectfully requested.

Respectfully submitted,

/William S Parks/
